

SHIRE OAK ACADEMY

TURNING POTENTIAL INTO EXCELLENCE

Dear Parent/Carer,

Year 7 Parents Evening Thursday 11th May 2023

At Shire Oak, we feel that the key to a student's success lies in a working partnership between us, the student and the parents. With this in mind, we would like to invite you to make appointments for our annual parents evening on **Thursday 11th May 2023**

We know that our staff have many positive things to say about your child and, as a parent, it is always pleasing to hear good news. Staff will also have targets for them which, if achieved, will certainly ensure maximum success in the future. Working in partnership will be the key to success.

We are holding the evening virtually, but the booking system remains the same. For information on how to access meetings online please use this link: <https://support.parentseveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

The link to book appointments can be found on the website underneath this letter. Please note that, if your child has two or more teachers for one subject you may only be able to make an appointment with one of them

Appointments can be made from Tuesday 2nd May at 9am and will close on 11th May at 3pm. Should you wish to make any changes after this date please contact Miss Capener. Obviously, we are aware that not all parents have online access. If this is the case, again, please contact Miss Howitt and she will ensure you have a full set of appointments for the evening.

The decision to hold the evening virtually has been taken for the following reasons:

1. Staff felt that an online event was more relaxed and enjoyable when parents were at home as parents did not have to rush home from work, cook, get changed and head out again.
2. Online events helped both parents and staff keep to the planned schedule thus ensuring that appointments do not go over time making parents late for their next appointments
3. Travel time between appointments does not need to be taken into account when scheduling appointments.

We recognise that parents should always feel welcome in school and there are occasions such as open evenings, concerts, sporting events and information evenings where parents' attendance is encouraged.

Yours sincerely

Mrs C. Smith. Deputy Head Teacher.
